If It Be the Word of God ...

G Campbell Morgan had grown up in a Christian home, never questioning that the Bible was the Word of God. However, in college his faith was severely challenged and he began to entertain doubts. “The whole intellectual world was under the mastery of the physical scientists,” he later said, “and of a materialistic and rationalistic philosophy. Darwin, Huxley, Tyndall, Spencer, Bain. There came a moment when I was sure of nothing.”

In those days, opponents of the Bible appeared every Sunday in great lecture and concert halls across England, attacking Christianity and the Bible, and these brilliant atheists and agnostics troubled the young student. He read every book he could find, both for and against Christianity, until he was so

confused, so riddled with doubt that he felt he couldn't go on.

In desperation, he closed his books, put them in his cupboard and turned the lock. Going down to a bookshop, he bought a new Bible, returned to his room, sat down at his desk, and opened it. He said, *I am no longer sure that this is what my father claims it to be—the Word of God. But of this I am sure. If it be the Word of God, and if I come to it with an unprejudiced and open mind, it will bring assurance to my soul of itself.* As he looked into the book before him, studying its form and structure and unity and message, he was amazed. He later said, *That Bible found me. I began to read and study it then, in 1883, and I have been a student ever since.*

SAMARITAN SHOPPING

is a ministry where we can help those less fortunate than
ourselves. We need non perishable food stuffs including long life
(UHT) milk to make up food hampers for those who struggle
to buy enough food to feed their families.
Just an extra tin or two of food each week when you do your weekly
shopping would be a tremendous help.

If you have any questions, please contact Cath Lea.
